## Traffic shift scheduled for tomorrow on segment 3 of I-75 modernization project in Oakland County

### Fast facts:

- The I-75 modernization enters a new stage tomorrow with two-way traffic sharing the southbound lanes between 8 Mile Road and I-696.
- The northbound I-75 ramp to eastbound I-696 will close until early November.
- Two lanes of I-75 traffic will remain open in each direction during peak travel times.

**April 6, 2020** -- Weather permitting, segment 3 of the I-75 modernization project will enter a new stage starting tomorrow morning. Beginning at 9 a.m. Tuesday, April 7, northbound I-75 will be reduced to one lane to allow crews to shift all traffic to the southbound lanes between [M-102 \(8 Mile Road\) and I-696](#). By late afternoon, this new configuration will be in place to allow for the reconstruction of the northbound lanes. Two lanes of northbound and southbound I-75 will be open during peak travel times during the 2020 construction season.

In addition, the northbound I-75 ramp to eastbound I-696 will close until early November. Ramp traffic will be detoured east on 8 Mile Road to northbound Van Dyke Avenue, then to eastbound I-696.
